

# MISSION

## Lifetime Smiles for Veterans

*honoring all who served*

powered by  MEGA'GEN

 ZD ZEST DENTAL SOLUTIONS

**W**e are committed to serve those who've served us. In collaboration with dentists across our nation, it is our Mission to bring Lifetime Smiles to the veterans in your local community.

### The Background

The importance of oral health and how it affects our general health is indisputable. Sadly, many of our 18.8 million veterans in the U.S. today cannot afford this fundamental necessity.

Struggles to find work, housing, affordable healthcare along with not being eligible to receive dental care through the Veterans Administration (VA) due to strict criteria are common challenges that our veteran community is faces today.

**Would You like to join forces with us in this worthy Mission of bringing Lifetime Smiles to the nations veterans?**

### How does the Mission Lifetime Smiles for Veterans Program work?

**Only The Best for The Best** - Join our program and we will support you with **FREE** AnyRidge implants, healing abutments, final Mega'Gen stock abutments, or Zest / Mega'Gen overdenture abutments (excl. MUA) when you treat U.S. veterans in your local community.

1. Call or Email our customer service to register for the Mission Lifetime Smiles for Veterans program.
2. You will receive a welcome email, including the forms required for each veteran's case (HIPAA form, copy of veteran ID, pre-op x-ray of area to be treated).
3. After submission of the required documents, and your veteran patient is scheduled, we will ship your FREE AnyRidge implants and healing abutments.
4. If you don't have an AnyRidge surgical kit, let us know and your local representative will bring a surgical kit to use at time of surgery.
5. Submit your post-op x-rays and we will ship you the final Mega'Gen stock abutments, or overdenture abutments to finalize the treatment.

We will donate up to 4 implants, healing abutments and final Mega'Gen stock abutments or Zest / Mega'Gen overdenture abutments (excl. MUA) for each U.S Veteran patient's treatment in your private practice. Our program will support each private practice for a maximum of 5 U.S. Veteran patients per year. The doctor/practice is responsible for any additional cost. Program is open for private practices only and **the above protocol must be followed**.

**Join our program Mission Lifetime Smiles for Veterans & make a difference in your local community!**

(Program enrollment is accepted until 6/30/2021)
